Re: Shuff Estate

Dear Mr. Nikirk:

To reiterate what I told you today by phone, my client, Mrs. Alice Harley waives the right to be present in person or have counsel at the taking of testimony before the Examiner on the Partition suit involving the property as to which she is inheriting a share from her cousin, Mrs. Shuff.

I would appreciate being added as one of the Trustees for the sale of this property.

Very truly yours,

*K. J. Mackley*
